already noted at para 2 above. Though the Letter bears the date 4.1.52, it has been received in this office on 8.1.52. Evidently the Collector has quoted the date of despatch as noted on the office draft, there being a delay of 4 days in the Collectors office between the date of typing and the date of despatch. So the Letter of 8.1.52 at the Collr bearing the date 4.1.52 and the postcard are flagged "D".
